

RODEO QUEEN . . . Seventeen-year-old Donna Stoeckle, a North High School senior, will reign as queen of the 1960 Torrance Championship Rodeo here on Saturday and Sunday, July 30 and 31. Her selection has been announced by Lt. D. C. Cook, rodeo chairman.

DONNA STOECKLE WILL REIGN OVER RCA RODEO

Brown-eyed Donna Stoeckle, 17-year old North High School senior, will reign as Queen of the 1960 Torrance Championship Rodeo on Saturday and Sunday, July 30 and 31, beginning at 2:30 p.m.

In making the announcement, Rodeo Chairman D. C. Cook said Donna not only is a talented and beautiful girl—but also is a top rider. Runner-Ups were Linn Gish and Sheri Sidebotham.

DONNA was born in Winslow, Arizona on June 15, 1943. She has beautiful brown hair to match her sparkling eyes. The new Queen stands 5' 2" tall and weighs a pleasing 110 pounds. Her other statistics are 34-22-35.

She was finalist in the "Miss

Saxon" Contest at North High School and is a member of the G.A.A. Her favorite hobbies are modeling and art, and her hobbies are roller skating, and naturally, horseback riding. Lt. D. C. Cook says Donna has been riding for over 10 years.

SHE RESIDES with her parents, Mr. and Mrs. Frances Stoeckle at 2612 W. 175th Street. Mrs. Stoeckle is well-known in Torrance, having been a Welcome Wagon Hostess and a former president of the Torrance P.T.A. Council.

Donna will reign in a complete Western Costume, courtesy of King's Western Store, Manhattan eBach, and will receive a trophy during the Rodeo.

Ground Broken For New 'Jump'n Jack Motel Unit

Ground-breaking ceremonies last Thursday marked the beginning of construction on the new Jump'n Jack motel to be located next to the Jump'n Jack Restaurant, 2900 Pacific Coast Hwy. Guests at the ceremonies included Guy Hardwick, former lieutenant governor of Alabama; Charles Adams, a member of the Alabama delegation to the Democratic Convention; and many local dignitaries.

The modern motel unit is comprised of 88 units built in two double storied buildings. A large Polynesian type swimming pool, a poolside lounge, and a fully equipped coffee shop complete the facilities. A tropical landscape and a beach-

comber's wharf, to be used in lieu of diving boards, are planned. A barber shop and a beauty shop will also be included.

The individual rooms will be soundproof. The interiors will feature hardwood paneling, acoustical ceilings, colorful art work and tiled baths. Individual room thermostats will control air conditioners and heating units. Televisions, radio, and telephones will also be in each unit.

The cost of the project will be well over half a million dollars. Architects for the development are Armet and Davis, and the general contractor is Roy Roberts of Rolling Hills.

DODGER ROOTER . . . Sixteen-year-old Nancy Hornbeck is getting into the spirit of things as she gets ready to participate in a teenagers' trip to the coliseum tonight to see the Dodgers play the Pittsburgh Pirates. The outing is being sponsored by the Torrance Recreation Department.

NEW DIGGINS . . . Helping Betty Baker break the ground for the new Jump'n Jack motel are George Vico; Jack Rogers, owner of the new motel unit; and Mayor Albert Isen. The motel, to cost more than half million dollars, will have 88 units, a landscaped pool area, and small shops nearby.

Garden Checklist

1. Cut faded delphinium spikes about six or eight inches above the ground, feed and water for that second (or third) bloom.
2. Support and tie tomato plants to keep the crop off the ground.
3. Keep Fuchsias and Begonias in full bloom with frequent feedings. Every other week is not too much for these.
4. A plant's purpose is to bloom and set seed so as to propagate itself. Keep the blooms picked and most plants will keep trying by growing more flowers.
5. Replace fading annuals as soon as they fail to carry their color load. No need waiting to the very last bloom.
